COMMENTS FROM THE TOWN MANAGER'S OFFICE

Tax payments on 1965 tax bills through the month of August were \$29,830.10. Most of the payments were made after the tax bills were sent out on Aug. 13. The best week was the week following the mailing of the bills but the last week of the month produced nearly \$9,000. It seems that people are making partial payments and some of the taxpayers who started their payments during the summer have their tax bill paid in full.

The excise rate was reduced to one-half on Sept. 1 as is the case each year. The first day of September brought ten excise tax payments. The one-half rate continues through Dec. 31 of each year. Excise tax collections through August of this year were \$23,725.65. The excise tax collections through August, 1964, were \$20,556.28, so the amount for this year is over \$3,000 more than the amount for the same period last year.

The first Education Advance Payment from the State was received on August in the amount of \$90,073. The town has made the last school payroll for the school and all future finances of the school will be handled through the school district treasurer. It believe the final settlement of property between the town and the school district will be made in the near future.

The highway crew has been working on the Chapman Hill road Town Improvement Project. The bulldozing and rough grading is finished and the gravel surface will be applied the last of this week and the first of next week. All of the money for the Town Road Improvement jobs is received from the State of Maine. Work standards and job classifications and job evaluations are also approved by the state.

NEW SCHOOL BUS ROUTES AND SCHEDULES

Bus routes have been changed in all towns of S. A. D. 44 except Andover. School buses will carry students to Woodstock High School from all areas of S. A. D. 44 except Andover, and to Gould Academy from all areas of S. A. D. 44 except Andover, Greenwood City, Whitman District, Rowe Hill, and South Woodstock.

High School students will ride on the same buses as elementary students on all routes except East Bethel and Bear River Buses will leave for home directly after school.

These new routes will require leaving home earlier than in the past in many cases. The bus drivers will do all they can to serve each area promptly and efficiently, but the parents and students will actually determine the final schedule. If all students will be out at the road when the bus is due, and those in adjacent houses grouped in one place the ride will be much quicker and the bus will be able to start later. The Transportation Committee therefore requests the pupils to be out in plenty of time so that they can work out a schedule that you will like. You can estimate the time to be out by the road from these preliminary schedules:

NEWRY

Bear River, Elementary - same as last year. High School - 6:45, Powers 6:55.

Sunday River, Roberts 7:05, Fleet 7:15, Morin 7:25, Kennett 7:35, Thurston 7:40.

BETHEL

Woodstock High School. Express bus leaves Crescent Park School and Davis Building Supply at 8:00. Because of the close time schedule this bus will make only these two stops in Bethel. Students living on Bethel bus routes will transfer onto this bus at one of these points.

Northwest Bethel, Ferry Road (turn) 7:00; Mayville - Rt. 2, Carter Equipment Co. (turn) 7:10; Middle Intervale, Tom Kennagh (turn) 7:20. (Beyond here see East Bethel buses).

South Bethel - Rt. 26, John Newell (turn) 7:35. Woodstock High students on this route will ride to Bethel, then transfer to an express bus.

East Bethel, Elementary - same as last year. High School - opposite direction from elementary bus. High School students from East Bethel should notify "Mush" McMillin if they want to ride on this bus.

First stop on Middle Intervale Road (College) at 7:00 continuing to Locke Mills at 7:30. Woodstock High students will transfer at Locke Mills to another bus.

was given to Mr. and Mrs. Robert Zaworski, nee Priscilla Ring, and family from Corvallis, Ore., who were with us.

It was voted to meet with Mr. and Mrs. Leland Dunham, Locke Mills, next year. A ring vote of thanks was given to Mr. and Mrs. James Ring and Mr. and Mrs. Keith Ring for hosting the reunion this year.

other bus.

West Bethel: Cleveland Lovejoy's 7:00; Head's Store 7:10. Students beyond Head's Store should be at Head's Store. All those on Route 2 west of Favre's Mill will ride on the first trip. Those on the back road between Roy Murphy's and the railroad station will ride on a second trip. Roy Murphy 7:35, Neil Merrill 7:45.

This bus will stop on Robertson Hill only at Neil Merrill's, then the bus shelter near Ed Haines, then at Robert Baker's. Students will be expected to be ready at these bus stops when the second bus comes back by.

Route 5 (beyond CMP pole #013-Bartlett), Albany bus - 10 minutes earlier than last year due to high school schedules.

Route 35 (beyond CMP pole #30-Machia), Grover Hill (beyond CMP pole #8-Davis), Paradise Hill (beyond CMP pole #17-Hall). Operator on these three routes: J. B. Chapman.

GREENWOOD

Locke Mills - High school buses leave from behind the Town Hall at 7:30 for Gould and Woodstock and at 8:00 for Woodstock only.

Greenwood Center and Howe Hill, Mrs. Ella Cole, operator. High school pupils over one mile from the Town Hall may be picked up and taken to the 7:30 buses.

Greenwood City. All pickups will be earlier than last year, starting at 7:00, to arrive at City School by 7:40. Bus will pick up Woodstock High students at the same time and will continue from City School to Woodstock High.

Rowe Hill - see Woodstock.

WOODSTOCK

Whitman District. All students should be at one of the following bus stops, on the east side of the road: Norton Emmons 7:50, Scott Emmons 7:55, Harris Hathaway 8:00, Cecil Farnum - Sanford Ricker 8:05, Edwin Howe - Rowe Hill - 8:10 bus will turn at end of Herbert Dunham's driveway. A NATION OF PASSERS-BY

We surrender something of ourselves ethically when we look at corruption and see apathy about wrongdoing, whether at a distance or at our very doorstep. We read with indignation of witnesses of crimes of violence who have failed to lift a hand, but we are all witnesses of violence and wrongdoing and injustice in many quarters of our land, and too often, like the lawyer we pass by on the other side of the road. Somewhere, it almost seems, that we have become a nation of passers-by, and much of the popular culture is highly attuned to this. Yet, there can really be no doubt that acquiescence in wrongdoing, though a passive thing in itself, results in a degradation, a loss, in ourselves of something very precious. Not to exercise one's ability to oppose that which is unjust or corrupt or plainly wrong is almost but surely to undergo a paralysis. A man in such a condition can scarcely be said to be in full possession of himself."—Robert F. Cochen, President, Princeton University.
